## HEALING SUMMIT 2022

Pine Cliffs Resort, Albufeira, Portugal  
September 3 - 4, 2022

## THE HEALING OF EVERYTHING

The annual conference HEALING SUMMIT brings together like-minded individuals who are drawn to collaborate, raise awareness, and inspire change. Socially conscious speakers from the fields of investment, economy, sustainability, social justice and equality, healing modalities, mission-oriented organisations, hospitality, and travel join together with delegates to create a gathering of global influencers committed to doing good.

This year's HEALING SUMMIT titled **THE HEALING OF EVERYTHING** has never been timelier than right now, and we are looking forward to exploring different aspects of the healing world. While we live in an interconnected world, we have never been more disconnected from ourselves, others, and Mother Nature. How do we live in a more connected society, where people, animals, and earth unite?

The HEALING SUMMIT 2022 will again take place at the magnificent Pine Cliffs Resort in Albufeira, Portugal (<https://www.pinecliffs.com/en>). In an effort to foster meaningful connections, the Summit's attendance will be limited to 130 people. The format of the 2-day conference will allow inspiring speakers to share their passion, vision and expertise. Delegates from all over the world will contribute to the topic with their knowledge and experience. As at the previous HEALING SUMMITS, the conference will be interspersed with healing experiences led by high profile practitioners in the field of holistic health.

## History
