Diplomat and climate specialist Janet Rogan to speak at The HEALING SUMMIT

04 August, 2022, Cologne, Germany — Janet Rogan – Regional Ambassador for the Middle East and Africa for the United Nations Climate Change Conference COP26 – will speak at the upcoming HEALING SUMMIT, set to take place September 3-4 in Portugal.

A senior British diplomat, Rogan joined the Foreign, Commonwealth and Development Office in 1986, and has served in the Far East, the Balkans, the Middle East and Africa. She has worked with NATO, as the UK Political Adviser at SHAPE, and at the United Nations as a UN Resident Coordinator.

She has wide policy, development, and humanitarian experience in bringing the principles of the Sustainable Development Agenda 2030 and the global Climate Change Agreements together for wider strategic goals, including COP26.

A sought-after speaker, Rogan will provide a broad overview of our planet's climate challenges, share her wisdom and experience, and suggest, as she puts it, “beautiful little solutions” that we all can do.

“This summer, the effects of climate change truly hit home; the scorching, blistering heat that has swept the world has affected billions of people on the planet and has given us a true sense of what climate change really means,” says Anne Biging, Co-Founder of Healing Hotels of the World and the HEALING SUMMIT. “Climate change is an undeniable global problem that is challenging every aspect of our daily lives – and yet, there is hope. Janet Rogan will speak at the HEALING SUMMIT about what can be done, and we hope you’ll join us as we come together to explore the theme of ‘The Healing of Everything’ – which of course includes the healing of our planet.”

Rogan joins a host of other healers and speakers at the HEALING SUMMIT 2022, which will take place at the beautiful Pine Cliffs Resort on Portugal's Algarve coast. An interactive, experiential and transformative event, the annual HEALING SUMMIT provides a space where individuals and businesses meet to debate, discuss and learn, with the aim of creating a global community of influencers who commit to doing good.

Additional keynote speakers at this year's event include businesswoman, entrepreneur and philanthropist Gina Diez Barroso; Mahesh Natarajan, COO of Ananda in the Himalayas; Karin Bleecker, Program Director of New Life Portugal; and a wide range of healers and coaches from around the world, including Vanessa Paige from South Africa, David Behrens from the UK, Coco Swanson from the US, and Velleda Dobrowolny from Italy.

[Registration](#) for the Summit is open; the rate is €2,100.

Immediately preceding the HEALING SUMMIT, a one-day pre-conference event designed for Healing Hotel Members and carefully selected travel advisors will take place on September 2, 2022.
